EXPERIENCE

FREELANCE NUKE COMPOSITOR

1X Technologies & NVIDIA Collaboration

Feb 2025 - March 2025

- Delivered high-end compositing for the NEO Gamma robot commercial that was directly showcased during NVIDIA CEO Jensen Huang's GTC 2025 keynote, highlighting this groundbreaking AI robotics project to industry leaders
- Contributed to this high-visibility project that was subsequently featured on NVIDIA's official YouTube channel, showcasing advanced AI robotics technology to a global audience

LEAD NUKE COMPOSITOR & MATCHMOVE ARTIST

SCAD Collaboration with HARBOR Studios

Jan 2024 - March 2024

- Led complex matchmove operations and Nuke compositing workflows for a simulated chocolate commercial, ensuring seamless integration of CG elements with live footage
- Executed camera tracking, lighting matching, and multi-pass compositing for photorealistic results—utilized specialized Nuke tools including CameraTracker and 3D system to enhance technical proficiency and overall project quality

NUKE COMPOSITOR

DAVID YURMAN, NYC

June 2023 - September 2023

- Contributed to marketing campaigns by overseeing compositing, lighting integration, and rendering of CAD models for XR production commercials, ensuring a high standard of attention to detail
- Collaborated with cross-functional teams, providing technical compositing expertise with Nuke's particle systems and 3D integration, ensuring visual continuity across marketing deliverables in a fast-paced environment

NUKE COMPOSITOR

SCAD PRO in Collaboration with DAVID YURMAN

March 2023 - May 2023

- Delivered high-quality visual effects for marketing campaigns through advanced compositing techniques, ensuring seamless integration of CG elements into key advertising efforts
- Performed technical compositing tasks including rotoscoping, keying, and color correction with Nuke's built-in tools while consistently meeting project deadlines and exceeding quality standards
